If Burning is Permitted, BURN IT RIGHT!!!

- Burn small, hot and controlled fires with good air ventilation
- Don't burn when the smoke won't dissipate from the area
- Make sure any materials to be burned are well cured, dry, free of soils, and not green.
Burn hot, burn clean
- For more information on backyard burning visit the BC Air Quality website or call the Ministry of Environment-Provincial toll free -1888-281-2992

ISLAND FLOW CONTROLS WATER SOLUTIONS LTD

Annual Water Mains Flushing was **NOT** completed in March 2020 due to the COVID 19 Virus. CCWWD has consulted with Island Health and Residents cannot be without water during this time of crisis. The Flushing will be rescheduled for the Fall 2020.

WATER TREATMENT PLANT UPDATE

Due to the COVID 19 Crisis our project has been delayed until further notice

NEWSLETTERS ON WEBSITE as of July 2020

CCWWD newsletters are a great way to keep our residents informed and updated on what is happening in the District. Printing 700 newsletters are costly and not good for the environment. As of July 2020, you can find our Newsletters on our website. We will however have copies on at the front counter for those who wish to have one.

Please Remember Social Distancing will help Prevent the Spread of COVID 19
